tom:

Intro: E B Eb A Abm Gb

[Primeira Parte]

I hope you're feeling okay  
 Because I don't know if I can say the same thing  
 It started when I saw with your sweatshirt sleeves  
 Pulled way past your arm length  
 And I don't wanna play games  
 Coming home from each other's place  
 Pretend we don't know each other's name  
 I know that's not what you want

But I started catching

[Refrão]

I thought we could be more than just friends  
 But I can understand your situation  
 I felt like you should know though  
 Since we're such good friends, I guess  
 I'll just wait until you feel ok enough  
 To see me like I see you  
 But until then I can just be  
 Your guy best friend
