BoyWithUke - She Said No

```
                        tom:
              Abm

          [Primeira Parte]

B
Stood together outside, I don't even

Know what
Eb
Was going through my mind, now I think

It was love
Abm
I never knew I could find someone who I

Thought was dumb
E
But made my?heart?go,?"Ba-da-dum

Ba-da-dum"
B                          Eb
And I?was so scared?for my life, but I
                        Abm
Said that I would rather try
                              E
And I'm pretty sure I'm out of time

B
And I throw my meds straight into the

Mud
Eb
'Cause it doesn't seem to help me when

I'm falling in love
Abm
And my stomach hurts, but I don't

Mention the blood
E
I think I might need a doctor for the
                      B
Mess that I've become
                        Eb
Oh, I found it hard to breathe
                          Abm
It's getting dark out, don't you think?
                    E
Tell me or is it just me?

[Refrão]

            E
Then she took my coat 'cause it was cold
     B
And we took pictures with her phone
     Eb
She left her Polaroid at home
   Abm        Ebm
I texted all my friends I wrote
     E
That I was falling for this girl
        B
Her eyes were glowing, Hazel pearls
   Eb
I told her that she was my world
     Abm        Ebm      E
And she said, yeah, she said no

[Pré-Refrão]

B                  Eb
  Yeah, she said no
Abm     Ebm        E
  Yeah, she said no
```

```
B                  Eb
  Yeah, she said no
Abm     Ebm
  Yeah, she said-

[Segunda Parte]

        B
You probably don't give a fuck who I am
        Eb
I don't blame you, I hate me too
              Abm
But I can't do a lot to change it

Or the thoughts in my head
      E
I am faceless, I'm nameless, I'm better

Off dead
           B
That's too far, I'm so sorry, please

Excuse my mess
      Eb
I'm so stupid, so worthless, I won't do

It again
      Abm
That I promise you, I'm just a boy with
A pen
         E
And a ukulele, is it not evident
           B
That I'm broken, I'm frozen, I'm stuck

In my bed (Oh)
         Eb
I was hoping you'd open me up (Oh-oh)
              Abm
But instead my emotions took over my

Mind (Oh)
                    E
And I said that I hate you (Oh)

I hate that I wish you were dead (Oh-oh)
