

BoyWithUke - Toxic

tom:

Abm

[Primeira Parte]

All my friends are toxic
 All ambitionless, so rude and always negative
 I need new friends
 But it's not that quick and easy
 Oh, I'm drowning, let me breathe
 [Refrão]

E Ebm Eb7
 I'm better off all by myself
 Though I'm feeling kind of
 Abm Gb E
 Empty without somebody else, oh
 Ebm Eb7
 I hear you cryin' out for help
 But you never showed for me when

I was ringing

 Gb
 Don't know what to do, I'm thinking of you
 Eb7
 I'm drinking up bottles and bottles of booze
