Intro: G E F G C

F C G  
I've been gone for so long  
C F  
And how I missed you  
C G  
My heart was aching for home  
F C G  
And then one night as I lay down  
C F  
Somewhere far from you  
C G  
I dreamt that I heard you call my name  
F  
But my mind was playing games  
C G  
I knew right then that I'd return  
C F  
To where I was before  
C G  
And I was so tired of being away  
C F  
That I just couldn't stay anymore  
G C  
What did I ever come here for?  
G E F  
Oh no no no no no  
G C  
What did I ever come here for?  
F C G  
I thought if I showed up in the night  
C F  
In my best disguise  
C G  
There at your doorway in your porch light  
C F  
That you would look into my eye  
C G  
And you would realize who I am  
C F  
Put your arms around me

C G  
You gonna love me so much more  
F  
Than you ever did before  
G C  
What did I ever come here for?  
G E F  
Oh no no no no no  
G C  
What did I ever come here for?  
F C G  
It wasn't too long before  
C F  
I showed up at your door  
C G  
I'd been gone a thousand miles  
F C G  
I didn't know how much more I could stand  
C F  
If I could stand at all  
C G  
You said I looked like I'd been through World War II  
C F  
And my soul was worn right through  
C G  
I thought you would read my mind  
C F  
I thought you'd ask me to stay  
C G  
You'd never turn me away like before  
C F  
But you closed your door anyway  
G C  
What did I ever come here for?  
G E F  
Oh no no no no no  
G C  
What did I ever come here for?  
G E F  
Oh no no no no no  
G C  
What did I ever come here for?  
G E F  
Oh no no no no no  
G C  
What did I ever come here for?
