Intro: E Abm Gb B

[Verse 1]

I see you child
Though you can't see me
And I know your thoughts
Before you even think
I heard every last prayer you prayed
Though I answered all the time
You just didn't hear my reply
And I know it's not easy, oh

[Chorus]

Don't you give up on me
Don't you give up on me
'Cause the darker the night gets
The brighter the light hits
Don't you give up on me
Don't you give up on me
You ain't seen what I promised
Child, we're just getting started

[Post-Chorus]

Oh-oh-oh-oh
There is so much more
Oh-oh-oh-oh

[Verse 2]

I'll be your way
When there's no way out
And I'll be your strength
When your strength runs out
And if you walk into the fire
I'll be right there in the flames
I wouldn't have it any other way
'Cause loving you's easy, yeah

[Chorus]

Don't you give up on me
Don't you give up on me

'Cause when the night's at its darkest
That's when the light hits the hardest
Don't you give up on me
Don't you give up on me
You ain't seen what I promised
Child, we're just getting started

[Bridge]

Open your heart, open your hands, open your eyelids
I've got more dreams, I've got more plans, I've got more blessing
Don't lose your hope, don't lose your faith, that's where your fight is
I've got more dreams, I've got more plans, I've got more blessings
Open your heart, open your hands, open your eyelids
I've got more dreams, I've got more plans, I've got more blessings
Don't lose your hope, don't lose your faith, that's where your fight is
I've got more dreams, I've got more plans, I've got blessings

[Post-Chorus]

Oh-oh, oh-oh
There is so much more
Oh-oh, oh-oh
There is so much more
Oh-oh, oh-oh
There is so much more
So much, so much
So much more

[Chorus]

Don't you give up on me
Don't you give up on me
When the night's at its darkest
That's when the light hits the hardest
Don't you give up on me
Don't you give up on me
'Cause you ain't seen what I promised
Child, we're just getting started
