tom:
 Capotraste na 1ª casa
 Intro: C Am G F

[Primeira Parte]

I shouldn't be alive
 My future was six-feet under
 One foot in the grave
 No hope to be saved, yeah

I shouldn't be alive
 But I'm a miracle child, defied every diagnosis
 And as close as it came I can stand here and say
 I'm a miracle child

[Refrão]

Death, where is your sting, My Savior's word is fi--nal
 I am resurrected, blood-protected
 I am a miracle child

[Segunda Parte]

If you're facing the odds
 If you think you're beyond His saving
 There's no life He can't raise

No, your wounds aren't too great
 He's a miracle God
 'Cause He shouldn't be alive
 His body was six-feet under
 Three days in the grave
 But that stone rolled away
 Yeah, our God is alive

[Ponte 1]

You're the living, breathing God of glory
 I'm a living, breathing testimony
 You're the one who turns a dead-end story
 To a living, breathing testimony

[Ponte 2]

You're the living, breathing God of glory
 I'm a living, breathing testimony
 You're the one who turns a dead-end story
 To a living, breathing testimony

[Final]

I've been crucified, raised with Christ
 I am a miracle child!
