Somos cria do cefet, malandro desde moleque

Jogava sempre descalço junto com os pivete

Espalhamos a maldade dentro do cefet

Rodeado de muie paty e piriguete

Mostrava muita garra e amor pela função

Com o seu fut absurdo marrento e bonito

No campo ou no salão

Com marra e dedicação

Todo mundo tava ligado brb ta em ação.

Marra de artista pique de jogador

Lutamos pelo escudo com honra e amor

Nossa equipe pra sempre vou defender
