

Bread - A Natural Woman

Tom: D

Looking out on the morning rain
I used to feel uninspired
and when I knew I had to face another day
Lord, it made me feel so tired.
Before the day I met you, life was so unkind
but your love was the key to my peace of mind.

'Cause you make me feel, you make me feel,
you make me feel like a natural woman.

When my soul was in the lost-and-found
you came along to claim it
I didn't know just what was wrong with me
till your kiss helped me name it

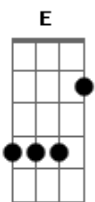

Now I'm no longer doubtful of what I'm living for
'cause if I make you happy I don't need to do more.

You make me feel, you make me feel,
you make me feel like a natural woman.

Oh, baby, what you've done to me (what you've done to me)
you make me feel so good inside (good inside)
and I just want to be (want to be) close to you
you make me feel so alive.

You make me feel, you make me feel,
you make me feel like a natural woman,
you make me feel, you make me feel,
you make me feel like a natural woman,
natural woman.
