

# Bread - Clouds Suite

Tom: C

A  
See the clouds adrift so far below  
A  
Everchanging as they come and go  
Gb  
Makes me wonder why I'm up so high  
E  
When really I am down so low

A  
Of all the wonders I was one allowed  
A  
I think that I would always choose a cloud  
Gb  
Always brings my feelings right out loud  
E  
Whether I'm ashamed or proud

A  
On this airplane comin' home to you  
A  
Sometimes I think I've flown my whole  
Gb  
life through  
Bm  
My whole life... through  
Bm  
As I wing my way to you

A  
See the clouds they're giving life below  
A  
In colors that the canvas cannot show  
Gb  
Keeping secrets no one else could know  
E  
For I'm the one who told them so

A  
Now and then I get up close to you  
A  
I'd like to stay but I'm just passing through  
Gb  
So I'll have to say goodbye...  
Bm  
Until next time I fly.

(interlude)

D  
Make my bed-light the light  
Bm  
Comin' in on the midnight flight  
Bm  
Touch the ground and soon you will be  
A7  
Safe inside reality

D  
Change your mind-change your name  
Bm  
Still the music it sounds the same

Am  
Rainfall don't bother me at all  
F  
You see the world reflected on the highway  
Am  
Come on rainbow-I can't let you go  
F  
Before I reach the end of you somehow

Am  
So the next time raindrops fall  
Am  
If it makes you climb the walls just think  
Am  
of green.
