

Bread - What A Change

tom:

Intro: Dm Am7 Dm Am7

Dm Dm G
You could be the answer to my lonely dream

Bbm
It's my only dream

Am7 C
Dream it every night

Dm Dm G
It's about a girl who makes the waters still

Bbm
Takes my troubled mind

Am7 C Bbadd9 Bb
And makes it all seem right

(Bb C D)
(Bb C D)

D A Bm A
Oh what a change, what a change that would be

G C D Bb C D
I can feel it comin' over me

D A Bm
Maybe it's strange, strange to say

A G
But I can't remember how

C D
How it used to be

Dm Dm G
You could be the answer or another dream

Bbm

Just another dream

Am7 C
How will I know

Dm Dm G
I'm afraid to wake up now and face the day

Bbm
Comes the light of day

Am7 C Bbadd9
She'll have to go or stay

(Bb C D)
(Bb C D)

D A Bm A
Oh what a change, what a change that would be

G C D Bb C D
Just to wake and find you still here

D A Bm
'Cause every time, time before

A G
When I open up my eyes

C D A
You always disappear

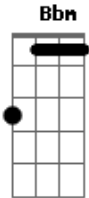

Am D
We could sit and hope that you'll be seen

Am C G D
We could talk about the world and in between

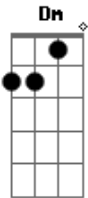

Am D
And when the morning light was through

F C G D
Then I could see if it was really you
