Intro: 2x: Bm G D A x2

[Verso 1]

Will the faithful be rewarded
When it come to the end
Will I miss the final warning
From the lie that I have lived
Is there anybody calling
I can see the soul within
And I am not worthy
I am not worthy of this

[Pre-chorus]

Are you with me after all
Why can't I hear you
Are you with me through it all
Then why can't I feel you

[Chorus]

Stay with me, don't let me go
Because there's nothing left at all
Stay with me, don't let me go
Until the Ashes of Eden fall

[Interlude]

G D A

[Verso 2]

Will the darkness fall upon me
When the air is growing thin
Will the light begin to pull me
To its everlasting will

D)

I can hear the voices haunting
There is nothing left to fear
And I am still calling
I am still calling to you

[Pre-chorus]

Are you with me after all
Why can't I hear you
Are you with me through it all
Then why can't I feel you

[Chorus]

Stay with me, don't let me go
Because there's nothing left at all
Stay with me, don't let me go
Until the Ashes of Eden fall

[Ponte]

(Don't let go)x6
Why can't I hear you

Stay with me, don't let me go
Because there's nothing left at all
Stay with me, don't let me go
Until the Ashes of Eden fall
Heaven above me, take my hand
(Stay with me, don't let me go)
Shine until there's nothing left but you
Heaven above me, take my hand
(Stay with me, don't let me go)
Shine until there's nothing left but you
