Home for seven days and I haven't even seen your face
I guess I've got a flight to change
There ain't nothin' left to say

There's no need for me to hang around
I've gotta get out of town

[Refrão]

C Em
Five dollar drink and a lonely window seat
Half empty plane on New Years Eve
Love birds in the row in front of me are driving me crazy
C Em
The pilot comes on, says the year is almost gone
Five, four, three, two, one
Looks like it's just me and the whiskey
Cause you ain't here to kiss me
You ain't here to kiss me

[Segunda Parte]

Raise a toast to the thought of you and me
This was just the way it had to be
90 proof to give me clarity

The flight attendant must know that somethings going on
Can't hide the look of love gone wrong

So she's pouring them a little strong
