

# Bridgit Mendler - Atlantis

Tom: Eb

(com acordes na forma de C )

Capostraste na 3ª casa

[Verse 1]

Am F7M  
Deep underwater is where I left my love  
Am F7M  
Clean at the surface, shallow to the touch  
Am Dm  
Nothing left, he's a wreck buried deep in the sand  
Am Dm  
Now I don't feel a thing when I'm holding his hand  
Am F7M  
And I?m asking myself, "Will I sh-sh-sh-sh-shiver again?"

[Chorus]

G  
Oh, I know how to feel, I know that love exists  
D  
It's asleep with the fishes down in Atlantis  
Bm  
Oh, my Lord, where's my soul? How did we end up like this?  
D  
Fast asleep with the fishes down in Atlantis

[Verse 2]

Am F7M  
Dig a little deeper, baby, hold your breath  
Am F7M  
Take a seat at the counter, just give it a chance  
Am Dm  
Every bro in the building with his back to the wall  
Am Dm  
Not for me, be discreet, I should try not to yawn  
Am F7M  
I shut em' down, shut em' down like a sniper on call

[Chorus]

G  
Oh, I know how to feel, I know that love exists  
D  
But it's asleep with the fishes down in Atlantis  
Bm  
Oh, my Lord, where's my soul? How did we end up like this?  
D  
Fast asleep with the fishes down in Atlantis

(Kaiydo)

Hey, hey  
I know sometimes we lose sight of hope  
I know that you don't falter often, when you do, you grow  
I know that life can have you lost like your compass broke  
A ship adrift at sea, oh, me, just tryna be your rope... oh  
And I don't think they really know the rest of it  
Everyday is Friday, so your calendar, irrelevant  
Photobombing planets, never planned to  
Take a better pic, knocking on Atlantis doors  
I'm surprised they let us in, let us in  
I can see you working on your patience  
Working on your nerves, need a better occupation  
You just say the word, and then we right back to the basics  
When you out here ballin', guess you bound to catch a flagrant  
I?m just tryna wild out with the fam  
We came from the bottom, I don't think you understand  
House up in the sky, I guess that always was the plan  
You was flying with me, I think I forgot to land

[Chorus]

G  
Oh, I know how to feel, I know that love exists  
D  
But it's asleep with the fishes down in Atlantis  
Bm  
Oh, my Lord, where's my soul? How did we end up like this?  
D  
Fast asleep with the fishes down in Atlantis
