Am F

But there's no way, you can keep us out

C  
You can bring us down  
F

F  
If i feel it burning in my core then  
C G Am

I'll take that bright little spark  
F C

And i'll hold it, tighter in my heart  
F

Than all your little darts  
C F

If you say i'll never reach the moon  
F

I'll send you a postcard soon
