

# Bright Eyes - A Perfect Sonnet

Tom: C

C  
 lately i've been wishing i had one desire  
 Em  
 something that would make me never want another  
 Am  
 something that would make it so that nothing matters  
 D(b5)sus2  
 all would be clear then but i  
 C  
 guess i'll have to settle for a for a few brief  
 moments and  
 Em  
 watch all dissolve into a single second  
 Am  
 and try to write it down into a perfect sonnet  
 D(b5)sus2  
 or one foolish line  
 F G Am  
 cauz that's all that you'll get so you'll have to  
 D(b5)sus2  
 accept  
 F G  
 you are here and then you're gone  
 sing the chorus now  
 C  
 but i believe that lovers should be tied together and  
 Em  
 thrown into the ocean in the worst of weather and  
 Am  
 left there to drown, left there to drown  
 D(b5)sus2  
 in their innocence but  
 C  
 as for me i'm coming to the final chapter  
 Em  
 i read all of the pages and there is still no answer  
 Am  
 only all that was before i know must soon come after  
 D(b5)sus2  
 that is the only way it can be  
 F G  
 so i stand in the sun  
 Am D(b5)sus2  
 and i breathe with my lungs  
 F G (Am)  
 trying to spare myself the weight of the truth  
 saying  
 C

everything you have ever seen was just a mirror  
 Em  
 and you've spent your whole life sweating in an  
 endless fever  
 Am  
 and now you are laying ina bathtum full of freezing  
 D(b5)sus2  
 water wishing you were a ghost  
 C  
 but once you knew a girl and you named her lover  
 Em  
 and danced with her in kitchens through the greenest  
 Am  
 summer but autumn came, she disappeared  
 D(b5)sus2  
 you don't remember where she said she was going to  
 F G Am  
 but you know that she is gone because she left you a  
 D(b5)sus2  
 song  
 F G  
 that you don't want to sing  
 C  
 singing i believe that lovers should be chained  
 together  
 Em  
 and thrown into a fire with their songs and letters  
 Am  
 and left there to burn, left there to burn in their  
 D(b5)sus2  
 arrogance  
 C  
 but as for me i'm coming to my final failure  
 Em  
 i've killed myself with changes trying to make it  
 better  
 Am  
 but i still ended up becoming something other than  
 D(b5)sus2  
 what i had planned to be...ALRIGHT!!! [C,Em,Am, D(b5)]  
 C  
 now i believe that lovers should be draped in flowers  
 Em  
 and layed entwined together on a bed of clover  
 Am  
 and left there to sleep, left there to dream of their  
 D(b5)sus2 D(b5)sus2  
 happiness  
 End on this:
