

Bright Eyes - Biggest Lie

Tom: **A**
 (com acordes na forma de)
 Album: Motion Sickness(Live)

This is a great song that i heard off the "Motion Sickness" album that i bought when I

that for sure. The solo is 99%, it seems theres something off at the very very end, and im pretty sure the chords I put over the solo are right, they still fit no matter what. Questions or comments(hopefully on the solo), leave comments here or email me at
