

## **Bright Eyes - First Day Of My Life**

```
Tom: C
  Braçadeira na 4º casa
This is the first day of my life
Swear I was born right in the doorway
I went out in the rain, suddenly everything changed
              D7
They're spreading blankets on the beach
Yours is the first face that I saw
             G
Think I was blind before I met you
                   E
Don't know where I am, don't know where I've been
       D7
But I know where I want to go
So I thought I'd let you know
That these things take forever
I especially am slow
   Dminsus2
But I realized how I need you and I wondered if I could come
home

I remember the time you drove all night
        G
Just to meet me in the morning

```
I thought it was strange, you said everything changed
         D7
You felt as if you'd just woke up
And you said, "This is the first day of my life.
I'm glad I didn't die before I met you.
Now I don't care, I could go anywhere with you,
      D7
And I'd probably be happy."
              G
So if you want to be with me
        F
With these things there's no telling
        C C Am
We'll just have to wait and see
                Dminsus2
But I'd rather be working for a paycheck than waiting to win

Besides, maybe this time its different, I mean I really think
you like me
