Tom: A

E E E (X2)

E A
Well you say, that I treat you like a book on a shelf.

E F#sus4 A
I don't take you out that often cause i know i've completed you

E E E
and that why you are here.

A E E E
That is the reason you stay here.

Gbm A E E E (X2)
How awful that must feel.

E A
You said you'd be my dream. I could have you every night,
E F#sus4

A
and if, by morning I, I'd forgotten you, well, no big deal
it'd be alright

E E E
cos you are the reoccurring kind.

Gbm A E E E (X2)
You never really leave my mind

E A
Are you the love of my lifetime? Because there have been times
I have had my doubts

E F#sus4 A
We were just kids when i first kissed you in the attic of my

parents house

E E E
and I wish we where there now

A E E E
It took so long to figure out
Gb A E E E (X2)
What this book has been about

E A
Now I write when I'm away letters that you'll never read
E F#sus4 A
You said go explore those other women, the ge-ogra-phy of
their bod-ies

E E E
but there is just one map you'll need

A E E E
You are a boom-erang. You'll see.

Gbm A E E E
You will return to me

E A F#sus4
You Will, you Will...
(Repeat as needed)

Gbm
If you don't, the this book is all lies. If you don't, then my
plans would all

E A
F#sus4
be ruined. If you don't, I'll start drinking like the way i
drank before

A E
And I just wouldn't have a future anymore.
