

# Bring Me The Horizon - Avalanche

Tom: Bb

Cut me open and tell me what's inside

Diagnose me cause I can't keep wondering why

And no, it's not a phase cause it happens all the time

Start over, check again, now tell me what you find

Cause I'm going out

I'll fake what's real

Can anyone respond?

It's like an avalanche

I feel myself go under

Cause the weight of it's like hands around my neck

I never stood a chance

My heart is frozen over

And I feel like I am treading on thin ice

Am I broken? What's the chance I will survive?

Don't trick and doubt me, cause I feel like suicide

Just give it to me straight cause I'm running out of time

I need another drug, now what can you prescribe?

It's like an avalanche

I feel myself go under

Cause the weight of it's like hands around my neck

I never stood a chance

My heart is frozen over

And I feel like I am treading on thin ice

And I'm going under

I need a cure for me cause a square doesn't fit the circle

Give me a remedy cause my head wasn't wired for this world

I need a cure for me cause a square doesn't fit the circle

Give me a remedy cause my head wasn't wired for this world

For the bridge, strum once and hold the chords.

I'm going out, I'll fake what's real

Can anyone respond?

Cause I'm going out, I'll fake what's real

Can anyone respond?

For the final chorus, strum once and hold until "I never stood a chance,"

It's like an avalanche

I feel myself go under

Cause the weight of it's like hands around my neck

I never stood a chance

My heart is frozen over

And I feel like I am treading on thin ice

And I'm going under

I need a cure for me cause a square doesn't fit the circle

Give me a remedy cause my head wasn't wired for this world

I need a cure for me cause a square doesn't fit the circle

Give me a remedy cause when it hits

Well, it hits like an avalanche
