

Bring Me The Horizon - Blasphemy

Tom: C

You got hell to pay but you already sold your soul
 It's blasphemy
 But the words don't make sense no more
 What would your mother say, your faith that you ignored
 So don't try to tell me that you still believe
 No don't preach to me

2x:

(Am G F C Dm)
 (Am G F C G)

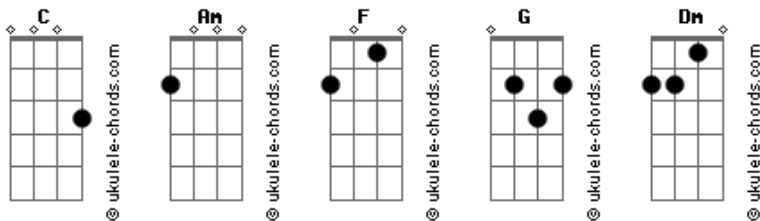

(Am F C G)
 (Am F C G)

 Ask no questions and you'll get no lies
 F C G
 Turn the cheek and blind the eye
 Am F C G
 Let it go
 Am
 Bend the knee and give away your life
 F C G
 Bite your tongue and close your mind
 Am F C G

You got hell to pay but you already sold your soul
 It's blasphemy
 But the words don't make sense no more
 What would your mother say, your faith that you ignored
 So don't try to tell me that you still believe
 No don't preach to me
