

# Bring Me The Horizon - Deathbeds

Tom: G

Eyes like a car crash  
 I know I shouldn't look but I can't turn away.  
 Body like a whiplash,  
 Salt my wounds but I can't heal the way  
 I feel about you.  
 I watch you like a hawk  
 I watch you like I'm gonna tear you limb from limb  
 Will the hunger ever stop?  
 Can we simply starve this sin?  
 That little kiss you stole  
 It held my heart and soul  
 And like a deer in the headlights I meet my fate  
 Don't try to fight the storm  
 You'll tumble overboard  
 Tides will bring me back to you  
 And on my deathbed, all I'll see is you  
 The life may leave my lungs  
 But my heart will stay with you  
 That little kiss you stole  
 It held my heart and soul  
 And like a ghost in the silence I disappear

Don't try to fight the storm  
 You'll tumble overboard  
 Tides will bring me back to you  
 The waves will pull us under  
 Tides will bring me back to you  
 The waves will pull us under  
 Tides will bring me back to you  
 The waves will pull us under  
 Tides will bring me back to you  
 Tides will bring me back to you  
 That little kiss you stole  
 It held my heart and soul  
 And like a ghost in the silence I disappear  
 Don't try to fight the storm  
 You'll tumble overboard  
 Tides will bring me back to you  
 That little kiss you stole  
 It held my heart and soul  
 And like a deer in the headlights I meet my fate  
 Don't try to fight the storm  
 You'll tumble overboard  
 Tides will bring me back to you
