Tom: Ab

(com acordes na forma de G)

Capostrate na 1ª casa

Intro: Em Am C D (2x)

Em
I was raised in the valley
There was shadows of death
Am
Got out alive, but with scars i can't forget
C
This kid back at school
Subdued and shy
D
An orphan and a brother and unseen by most eyes
Em
I don't know what it was that made a piece of him die
Am
Took a boy to the forest, slaughtered him with a scythe
C
Stamped on his face, an impression in the dirt
D
Do you think the silence makes a good man convert?
Em Am C D
Em
We all have our horrors and our demons to fight
Am
But how can i win, when i'm paralyzed?
C
They crawl up on my bed, wrap their fingers round my throat
D
Is this what i get for the choices that i made?
Em
God forgive me for all my sins!
Am
God forgive me for everything!
C
God forgive me for all my sins!
D
God forgive me!
God forgive me!
Em
Don't go!
I can't do this on my own
Am
Don't go!
No i can't do this on my own
C
Save me from the ones that haunt me in the night
D
I can't live with myself, so stay with me tonight
Em
Don't go!
Am
Don't go!
C D
Em

If i let you in
You'll just want out
Am
If i tell you the truth
You'll fight for a lie
C
If i spilt my guts
D
It would make a mess we can't clean up
Em
If you follow me
You will only get lost
Am
If you try to get closer
We'll only lose touch
C
But you already know too much
D
And you're not going anywhere
Em
Tell me that you need me cause i love you so much
Am
Tell me that you love me cause i need you so much
C
Tell me that you need me cause i love you so much
D
Say you'll never leave me cause i need you so much
