

# Bring Me The Horizon - Go To Hell For Heavens Sake

Tom: C

<sup>Am</sup>  
For the love of god, will you bite your tongue  
<sup>F7M</sup>  
Before we make you swallow it

<sup>Dm</sup>  
It's moments like this where silence is golden  
<sup>Em</sup>

And then you speak

<sup>Am</sup>  
No one wants to hear you  
<sup>F7M</sup>  
No one wants to see you

<sup>Dm</sup>  
So desperate and pathetic  
I'm begging you to spare me

<sup>Em</sup>  
The pleasure of your company

(When did the diamonds leave your bones?)

<sup>Am</sup>  
I'm burning down every bridge we make  
<sup>F7M</sup>  
I'll watch you choke on the hearts you break

<sup>Dm</sup>  
I'm bleeding out every word you said

<sup>Em</sup>  
Go to hell for heavens sake (2x)

(Go to hell for heavens sake)

<sup>Am</sup>  
No one wants to hear you (Save your breath)

<sup>F7M</sup>  
No one wants to see you

<sup>Dm</sup>  
So desperate and pathetic  
You think that no one sees this

<sup>Em</sup>

I think it's time you knew the truth

I'll watch you choke on the hearts you break

<sup>Am</sup>  
You're not a shepherd, you're just a sheep

I'll cut my depths of everyone you meet

<sup>Dm</sup>  
You're own flesh with no bones

<sup>Em</sup>  
Feed them to the sharks  
And throw them to the wolfs

I'll watch you choke on the hearts you break

I'm bleeding out every word you said
