

Bring Me The Horizon - Go To Hell For Heavens Sake

Tom: C

Am
 For the love of god, will you bite your tongue
F7M
 Before we make you swallow it
Dm
 It's moments like this where silence is golden
Em
 And then you speak

Am
 No one wants to hear you
F7M
 No one wants to see you
Dm
 So desperate and pathetic
 I'm begging you to spare me
Em
 The pleasure of your company

(When did the diamonds leave your bones?)

Am
 I'm burning down every bridge we make
F7M
 I'll watch you choke on the hearts you break
Dm
 I'm bleeding out every word you said
Em
 Go to hell for heavens sake (2x)

(Go to hell for heavens sake)

Am
 No one wants to hear you (Save your breath)
F7M
 No one wants to see you
Dm
 So desperate and pathetic
 You think that no one sees this
Em

I think it's time you knew the truth

Am
 I'm burning down every bridge we make
F7M
 I'll watch you choke on the hearts you break
Dm
 I'm bleeding out every word you said
Em
 Go to hell for heavens sake (2x)

When did the diamonds leave your bones
 Leave your bones

Am
 You're not a shepherd, you're just a sheep
F7M
 I'll cut my depths of everyone you meet
Dm
 You're own flesh with no bones
Em
 Feed them to the sharks
 And throw them to the wolfs

Am
 I'm burning down every bridge we make
F7M
 I'll watch you choke on the hearts you break
Dm
 I'm bleeding out every word you said
Em
 Go to hell for heavens sake

 I'm burning down every bridge we make
