

Bring Me The Horizon - Go To Hell For Heavens Sake

Tom: C

Am
For the love of god, will you bite your tongue
F7M
Before we make you swallow it

Dm
It's moments like this where silence is golden
Em

And then you speak

Am
No one wants to hear you
F7M
No one wants to see you

Dm
So desperate and pathetic
I'm begging you to spare me

Em
The pleasure of your company

(When did the diamonds leave your bones?)

Am
I'm burning down every bridge we make
F7M
I'll watch you choke on the hearts you break

Dm
I'm bleeding out every word you said

Em
Go to hell for heavens sake (2x)

(Go to hell for heavens sake)

Am
No one wants to hear you (Save your breath)

F7M
No one wants to see you

Dm
So desperate and pathetic
You think that no one sees this

Em

I think it's time you knew the truth

Am
I'm burning down every bridge we make
F7M
I'll watch you choke on the hearts you break

Dm
I'm bleeding out every word you said

Em
Go to hell for heavens sake (2x)

When did the diamonds leave your bones
Leave your bones

Am
You're not a shepherd, you're just a sheep

F7M
I'll cut my depths of everyone you meet

Dm
You're own flesh with no bones

Em
Feed them to the sharks
And throw them to the wolfs

Am
I'm burning down every bridge we make
F7M
I'll watch you choke on the hearts you break

Dm
I'm bleeding out every word you said

Em
Go to hell for heavens sake

Am
I'm burning down every bridge we make
F7M
I'll watch you choke on the hearts you break

Dm
I'm bleeding out every word you said
