

# Bring Me The Horizon - Hospital For Souls

Tom: C

(com acordes na forma de G )  
 Capotraste na 5ª casa  
 And then I found out how hard it is to really change  
 Even hell can get comfy once you've settled in  
 I just wanted the numb inside me to leave  
 No matter how fucked you get, it's always there when you come  
 back down  
 The funny thing is, all I ever wanted, I already had  
 There's glimpses of heaven in every day  
 In the friends that I have, the music I make  
 The love that I feel... I just had to start again

( Em C Am Em )

Em  
 The days are a death wish  
 C  
 A witch hunt for an exit  
 Am Em ( D )  
 I am powerless

Em  
 The fragile, the broken  
 C  
 Sit in circles and stay unspoken  
 Am Em ( D )  
 We are powerless

Em  
 Because we all walk alone on an empty staircase  
 C  
 Silent halls and nameless faces  
 Am Em D  
 I am powerless

Am  
 Everybody wants to go to Heaven  
 C  
 But nobody wants to die  
 Am  
 I can't fear death no longer  
 C ( Am )  
 I've died a thousand times

Am  
 Why explore the universe  
 C  
 When we don't know ourselves?  
 Am  
 There's an emptiness inside our heads  
 ( Am )  
 That no-one dares to dwell

Em C  
 Throw me to the flames!  
 Am Em  
 Watch me burn!  
 Em C  
 Set my world ablaze!  
 Am Em  
 Watch me burn!

C  
 How are we on a scale of one to ten?  
 Am  
 Could you tell me, what you see?  
 C  
 Do you want to talk about it?  
 D  
 How does that make you feel?

C  
 Have you ever took a blade to your wrists?  
 Am  
 Have you been skipping meals?  
 C  
 We're going to try something new today  
 C Am Em  
 How does that make you feel?

Em D  
 Hold me close, don't let go, watch me (burn)  
 C Am  
 Hold me close, don't let go, watch me (burn)  
 Em D  
 Hold me close, don't let go, watch me (burn)  
 C Am  
 In this hospital for souls

( Em )
