

Bring Me The Horizon - Mother Tongue

Tom: D

I didn't see it coming
 Gbm D E
 But I never really had much faith
 Gbm D E Gbm
 In the universe's magic, oh no
 Gbm D E
 Till it pulled us to that time and place
 Gbm
 And I'll never forget
 D E Gbm
 When the floodgates opened, we, we cried an ocean
 D E Gbm
 It still has me choking, it's hard to explain
 D Gbm
 I know you know me, you don't have to show me
 D E Gbm
 I, I feel you're lonely, no need to explain

So don't say you love me, fala amo
 D E Gbm
 Just let your heart speak up and I'll know
 D E Gbm
 No amount of words can ever find a way, to make sense of this
 E Gbm
 So I wanna hear your mother tongue
 Dbm D E Gbm
 So don't say you love me, fala amo
 D E Gbm
 Just let your heart speak up and I'll know
 D E Gbm
 No amount of words can ever find a way, to make sense of this
 E Gbm
 So I wanna hear your mother tongue
 (D E Gbm D E)

Gbm D E
 And yeah, I could be punching
 Gbm D E
 But I always tend to fluctuate
 Gbm D E
 I feel sick that I'm buzzing, oh love, I'm in trouble
 Gbm D E
 I'm sorry, but you got me gushing all over the place
 Gbm
 And I don't wanna get wet
 D E Gbm
 But I think we're chosen, like our fates were woven

D
 And all of those bad choices were left turns on the way
 Dbm D E Gbm
 So don't say you love me, fala amo
 D E Gbm
 Just let your heart speak up and I'll know
 D E Gbm
 No amount of words can ever find a way, to make sense of this
 E Gbm
 So I wanna hear your mother tongue
 D E Gbm
 So don't say you love me, fala amo
 D E Gbm
 Just let your heart speak up and I'll know
 D E Gbm
 No amount of words can ever find a way, to make sense of this
 E Gbm
 So I wanna hear your mother tongue
 I think the best way to explain it's like (Oh, oh, oh, oh)
 Gbm E
 Kinda like that, but more (Oh, oh, oh, oh, oh)
 D
 Yeah, that makes sense, right, like (Oh, oh, oh, oh)
 Gbm
 Like (Oh, oh, oh, oh)
 E
 Like (Oh, oh, oh, oh, oh)
 D E Gbm
 So don't say you love me, fala amo
 D E Gbm
 Just let your heart speak up and I'll know
 D E Gbm
 No amount of words can ever find a way, to make sense of this
 D
 So I wanna hear your mother tongue
 Dbm D E Gbm
 So don't say you love me, fala amo
 D E Gbm
 Just let your heart speak up and I'll know
 D E Gbm
 No amount of words can ever find a way, to make sense of this
 E Gbm
 So I wanna hear your mother tongue
 D E Gbm
 So don't say you love me, fala amo
 D E Bm
 Just let your heart speak up and I'll know
 Dbm D E Gbm
 No amount of words can ever find a way, to make sense of this
 D
 So I wanna hear your mother tongue
