

Bring Me The Horizon - Throne

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa C)

Remember the moment you left me alone and

Broke every promise you ever made

I was an ocean, lost in the open

Nothing could take the pain away

Refrão:

So you can throw me to the wolves

Tomorrow I will come back

Leader of the whole pack

Beat me black and blue

Every wound will shape me

Every scar will build my throne

F C G
Am F C G

The sticks and the stones that

You used to throw have

Built me an empire

So don't even try

To cry me a river

Cause I forgive you

You are the reason I still fight

Refrão:

So you can throw me to the wolves

Tomorrow I will come back

Leader of the whole pack

Beat me black and blue

Every wound will shape me

Every scar will build my throne

Every scar will build my throne

F C G
Am F C G

Refrão:

So you can throw me to the wolves

Tomorrow I will come back

Leader of the whole pack

Beat me black and blue

Every wound will shape me

Every scar will build my throne

G Am
F G Am

Bridge:

I'll leave you choking

On every word you left unspoken

Rebuild all that you've broken

And now you know

I'll leave you choking

On every word you left unspoken

Rebuild all that you've broken

And now you know

Every wound will shape me

(stop) Every scar will build my throne

F C G
Am F C G

Refrão:

So you can throw me to the wolves

Tomorrow I will come back

Leader of the whole pack

Beat me black and blue

Every wound will shape me

Every scar will build my throne
