

Bring Me The Horizon - Throne

Tom: Eb

(com acordes na forma de Capostraste na 3ª casa C)

Remember the moment you left me alone and
 Broke every promise you ever made
 I was an ocean, lost in the open
 Nothing could take the pain away

Refrão:
 So you can throw me to the wolves
 Tomorrow I will come back
 Leader of the whole pack
 Beat me black and blue
 Every wound will shape me
 Every scar will build my throne

The sticks and the stones that
 You used to throw have
 Built me an empire
 So don't even try
 To cry me a river
 Cause I forgive you
 You are the reason I still fight

Refrão:
 So you can throw me to the wolves
 Tomorrow I will come back
 Leader of the whole pack
 Beat me black and blue
 Every wound will shape me
 Every scar will build my throne

Every scar will build my throne

Bridge:
 I'll leave you choking
 On every word you left unspoken
 Rebuild all that you've broken
 And now you know
 I'll leave you choking
 On every word you left unspoken
 Rebuild all that you've broken
 And now you know
 Every wound will shape me
 (stop)
 Every scar will build my throne
