

# Bring Me The Horizon - Throne

Tom: Eb

(com acordes na forma de Capostraste na 3ª casa C )

Remember the moment you left me alone and  
 Broke every promise you ever made  
 I was an ocean, lost in the open  
 Nothing could take the pain away

Refrão:  
 So you can throw me to the wolves  
 Tomorrow I will come back  
 Leader of the whole pack  
 Beat me black and blue  
 Every wound will shape me  
 Every scar will build my throne

The sticks and the stones that  
 You used to throw have  
 Built me an empire  
 So don't even try  
 To cry me a river  
 Cause I forgive you  
 You are the reason I still fight

Refrão:  
 So you can throw me to the wolves  
 Tomorrow I will come back  
 Leader of the whole pack  
 Beat me black and blue  
 Every wound will shape me  
 Every scar will build my throne

Every scar will build my throne

Every scar will build my throne  
 Refrão:  
 So you can throw me to the wolves  
 Tomorrow I will come back  
 Leader of the whole pack  
 Beat me black and blue  
 Every wound will shape me  
 Every scar will build my throne

Bridge:  
 I'll leave you choking  
 On every word you left unspoken  
 Rebuild all that you've broken  
 And now you know  
 I'll leave you choking  
 On every word you left unspoken  
 Rebuild all that you've broken  
 And now you know  
 Every wound will shape me  
 (stop)  
 Every scar will build my throne

Refrão:  
 So you can throw me to the wolves  
 Tomorrow I will come back  
 Leader of the whole pack  
 Beat me black and blue  
 Every wound will shape me  
 Every scar will build my throne
