Tom: D

(com acordes na forma de C )  
 Capotraste na 2ª casa  
 ##Capo: 2nd fret

The sign "....." is instrumental part, you don't sing that part

Three of chords are played in a short time.  
 If you can't play it really well, just cancel the E7 (Higher part) or the Gb7 (last part).

This part should strum it slowly.

The bracket "( )" of the chords chart means, you can play without pressing the note.
