

# Britney Spears - Brave New Girl

Tom: C

She's gonna pack her bags, she's gonna find a way  
 She's gonna get right out of this  
 She don't want New York, she don't want LA  
 She's gonna find that special kiss  
 She don't want no sleep, she don't want no high  
 Ooh, like peaches and cream  
 She's gonna wish on stars and touch the sky  
 You know what I mean?

She wants to \_\_\_\_\_, only to \_\_\_\_\_  
 She needs to really really find what she wants  
 She lands on both feet, won't take a back seat  
 There's a brave new girl, and she's coming out tonight

She's gonna step outside, uncover her eyes  
 Who knew she could feel so alive?  
 Her M.O.'s changed, she don't wanna behave  
 Ain't it good to be a brave girl tonight?

Tonight, it's all right  
 A brave girl tonight

So she met this man, he was kinda rough  
 He said girl, whatcha lookin' for?  
 She said I don't know, I go with the flow  
 He said let's get on the floor

He said you look real cute with your lowride jeans  
 And your pink little baby tee  
 Let's get a room, girl  
 Come and ride with me

She wants to \_\_\_\_\_, only to \_\_\_\_\_  
 She needs to really really find what she wants  
 She lands on both feet, won't take a back seat  
 There's a brave new girl, and she's coming out tonight

She's gonna step outside, uncover her eyes  
 Who knew she could feel so alive?  
 Her M.O.'s changed, she don't wanna behave  
 Ain't it good to be a brave girl tonight?

Tonight, it's all right  
 A brave girl tonight  
 Tonight, it's all right  
 A brave girl tonight

\_\_\_\_\_ keep on \_\_\_\_\_

She's gonna step outside, uncover her eyes  
 Who knew she could feel so alive?  
 Her M.O.'s changed, she don't wanna behave  
 Ain't it good to be a brave girl tonight?

Tonight, it's all right  
 A brave girl tonight  
 A brave girl tonight  
 A brave girl tonight
