## **Britney Spears - Brave New Girl**

Tom: C

She's gonna pack her bags, she's gonna find a way She's gonna get right out of this She don't want New York, she don't want LA She's gonna find that special kiss She don't want no sleep, she don't want no high Ooh, like peaches and cream She's gonna wish on stars and touch the sky You know what I mean?

She wants to \_\_\_\_\_, only to \_\_\_\_\_ She needs to really really find what she wants She lands on both feet, won't take a back seat There's a brave new girl, and she's coming out tonight

She's gonna step outside, uncover her eyes Who knew she could feel so alive? Her M.O.'s changed, she don't wanna behave Ain't it good to be a brave girl tonight?

Tonight, it's all right A brave girl tonight

So she met this man, he was kinda rough He said girl, whatcha lookin' for? She said I don't know, I go with the flow He said let's get on the floor

## Acordes

He said you look real cute with your lowride jeans And your pink little baby tee Let's get a room, girl Come and ride with me
