

Britney Spears - Can t Make You Love Me

Tom: Eb

I'm just a girl with a crush on you
 Don't care about money
 It doesn't give me half the thrill
 To the thought of you, honey
 So tell me that you want me still
 If only I could trade the fancy cars
 For a chance today, it's incomparable
 I might be sitting with the movie stars
 Everybody say that I have it all
 But I can't make you love me
 Is it my life or the things I do?
 Can't make you love me
 I'm just a girl with a crush on you
 I have been through changes
 But I'm still the girl you used to know
 It's made me no different
 So tell me why you had to go
 Oh baby, I will trade the fancy cars
 For a chance today, it's incomparable

I might be sitting with the movie stars
 Everybody say that I just have it all
 But I can't make you love me
 Is it my life or the things I do?
 Can't make you love me
 I'm just a girl with a crush on you
 Just the thought of being close to you
 It's incomparable
 Should be happy with the life I live
 And the things I do
 Seems like I have it all
 Can't make you, make you love me baby
 It's my life, what can I do?
 Can't make you love me, alright
 I'm just a girl with a crush on you
 But I can't make you love me
 Is it my life or the things I do?
 Can't make you love me
 I'm just a girl with a crush on you
 I'm just a girl with a crush on you
