

# Britney Spears - Deep In My Heart

Tom: **G**

Ooh, ooh, ooh, ooh  
 Oh, oh, I want you for the rest of my life,  
 oh yeah  
 Walking through time looking for an answer  
 How can it be this way  
 What have I done, I just can't help but wonder  
 How everything could change  
 'Cause you've turned my world around

Pre Chorus: Since you came along, no  
 After this love was found  
 It seems like we can't go wrong

Chorus: Deep in my heart I know there's only you  
 And right from the start I always knew

I'll never let go 'cause I love ya so  
 Oh-oh, I want you for the rest of my life

Some people search what seems to be a lifetime  
 To find a love like this, oh yeah  
 And here we are with everything we've wished for  
 I've never felt such bliss

Repeat Pre Chorus

Repeat Chorus

Oh, yeah  
 There comes a chance in everyone's life  
 And I believe it won't happen twice  
 Now since I felt the glory of love  
 I wish to spend forever and ever with you

Repeat Chorus

## Acordes
