

Britney Spears - Everyday

Tom: G

Afinação: D G C F A D D

Gbm
Footsteps in the rain, memories wash away
Bm **G**
Beyond the headlight glare, it's kind of dark out there
D **Gbm**
And everywhere I've been, it's hard to find a friend
Bm **G**
I've got no alibis for the state I'm in

Em **Gbm**
Everybody needs, needs a place to go
Bm **G**
God know's I have seen it's a twisting, winding road

D **Gbm**
Every day, the sun comes up again
Bm **G**
A little hope begins and it starts with you 'cause you get me through it
D **Gbm**
And every day, I'm closer to the shore, I smile a little more
Bm **G**
And because of your faith, I get closer now every day

D **Gbm** **Bm** **G**
Said every day, I said every day, every day

D **Gbm**
It's hard to recognize, across the great divide
Bm **G**
Just what you left behind and what you keep inside

D **Gbm**
A ripple in the calm, you keep my safe from harm
Bm **G**
Somehow you still believe, you believe in me

Em **Gbm**
Where it starts and ends, only time must know
Bm **G**
Wherever you will be is where I wanna go

D **Gbm**
Every day, the sun comes up again
Bm **G**
A little hope begins and it starts with you 'cause you get me through it
D **Gbm**
And every day, I'm closer to the shore, I smile a little more
Bm **G**
And because of your faith, I get closer now every day

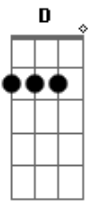

Em **Gbm**
'Cause you set me free
Bm **G**
'Cause you set me free

D **Gbm**
Every day, the sun comes up again
Bm **G**
A little hope begins and it starts with you 'cause you get me through it
D **Gbm**
And every day, I'm closer to the shore, I smile a little more
Bm **G**
And because of your faith, I get closer now every day
