

Britney Spears - I'm So Curious

Tom: C
Intro: C G Bb F G 2X

Am
So Curious, so curious

I'm so curious about our love
I don't understand why you don't take my hand

And tell me you care I see all the signs
but if you wanna be mine don't leave me up in the air

Oh baby you better let your love show
is what I'm telling you
Let me know let me go

Refrão:

I'm so curious, do you love me
Do you wonder the way that I do
I'm so curious what do ya think of me
Boy am I just a game or do you feel the same as I do

Am

So Curious, so curious

I'm so curious about our love
If it's make believe why don't you set my heart free
And tell me goodbye but if it's for real
tell me you feel for me right deep down inside

Oh baby is this goodbye or hello
is what I'm telling you
Let me know let me go

So Curious
Bb All day all night I just dream of you
