Intro: Here is a little story that I made up
 So Let's make believe
 Four years ago I had a party
 that was too much fun for me
 Boy there's a sexy guy
 He'd surely give me everything I need
 Sometimes I let temptation go too far
 and get the best of me
 All I gotta say is
 I just wanna have some fun
 And I'll do it until I'm done
 I'm telling you
 I'm just a crazy kind of girl
 I'll tell it to the world
 I've just begun having my fun
 Inside me there's something I found
 I wanna shop around
 I just begun
 Don't wanna settle down
 The conversation was going over 'til I turned my hair
 He started touching me and kissing me
 Like he didn't care
 I thought at first I should go home
 But then fell asleep in the chair
 All I gotta say is
 I just wanna have some fun
 And I'll do it until I'm done
 I'm telling you
 I'm just a crazy kind of girl

I'll tell it to the world
 I've just begun having my fun
 Inside me there's something I found
 I wanna shop around
 I just begun
 Don't wanna settle down
 I'm just a crazy kind of girl
 I'll tell it to the world
 I've just begun having my fun
 Inside me there's something I found
 I wanna shop around
 I just begun
 Don't wanna settle down
 I just wanna have a good time
 I just wanna be myself
 And don't let anybody tell you it's any differantly
 I wanna enjoy the sunshine
 And do the things that I need
 To see what feels good to me
 I'm just so crazy
 I'm just a crazy kind of girl
 I'll tell it to the world
 I've just begun having my fun
 Inside me there's something I found
 I wanna shop around
 I just begun
 Don't wanna settle down
 I just begun
 I just begun
 having my fun
 I just begun
 Having my fun, yeah!
