

Britney Spears - I`ve just begun (having my fun)

Tom: **Bb**

Intro:

Intro: Here is a little story that I made up

So Let's make believe

Four years ago I had a party

that was too much fun for me

Boy there's a sexy guy

He'd surely give me everything I need

Sometimes I let temptation go too far

and get the best of me

All I gotta say is

I just wanna have some fun

And I'll do it until I'm done

I'm telling you

I'm just a crazy kind of girl

I'll tell it to the world

I've just begun having my fun

Inside me there's something I found

I wanna shop around

I just begun

Don't wanna settle down

The conversation was going over 'til I turned my hair

He started touching me and kissing me

Like he didn't care

I thought at first I should go home

But then fell asleep in the chair

All I gotta say is

I just wanna have some fun

And I'll do it until I'm done

I'm telling you

I'm just a crazy kind of girl

I'll tell it to the world

I've just begun having my fun

Inside me there's something I found

I wanna shop around

I just begun

Don't wanna settle down

I'm just a crazy kind of girl

I'll tell it to the world

I've just begun having my fun

Inside me there's something I found

I wanna shop around

I just begun

Don't wanna settle down

I just wanna have a good time

I just wanna be myself

And don't let anybody tell you it's any differantly

I wanna enjoy the sunshine

And do the things that I need

To see what feels good to me

I'm just so crazy

I'm just a crazy kind of girl

I'll tell it to the world

I've just begun having my fun

Inside me there's something I found

I wanna shop around

I just begun

Don't wanna settle down

I just begun

I just begun

having my fun

I just begun

Having my fun, yeah!
