

Britney Spears - Let Go

Tom: C

^{Em}
 It's written everywhere
^G
 I've even read it in my script
^{Em}
 But when I thought it wasn't fair
^G
 I felt it on my lips, let go
^{Em}
 I don't wanna be the one
^G
 I think you already know, oh

^{Em} ^G
 The feeling of going down way too deep
^{Em} ^G
 Holding on so you won't lose your feet
^{Em}
 Sometimes you just gotta trust
^G
 You gotta take that leap
^{Em}
 And let go
^G
 Gotta let go

^{Am}
 I've got a feeling
^{Ab} ^C
 By your look you're through
^G
 Oh no
^{Am}
 What you're revealing
^{Ab}
 I sit and pray
^C ^G
 And I will pull through, oh no yeah

^{Em}
 When you let go
^G
 Of all you've known
^{Em}
 The butterflies fly
^G
 And you will see the rainbows
^{Em}
 And all the love
^G
 Everything will be shown
^{Em}
 So let go
^G

Let go
^{Em}
 The touch of grass, the air
^G
 The sun it will rise
^{Em}
 You will see so clear
^G
 It will bring tears to your eyes
^{Em} ^G
 Maybe everything will be alright
^{Em}
 So let go
^G
 You gotta let go

^A
 I've got a feeling
^{Ab}
 Right now
^C
 You feel it too
^G
 Oh, oh
^A
 This little song
^{Ab}
 Might be the one
^C
 That will tell us what to do
^G
 Oh, oh, ooh, ooh

^{Em} ^G ^C
 These tears are overflowing
^{Am}
 And never knowing why
^{Em}
 All these years we,
^G
 We've been hurting
^C ^{Am}
 We have to look inside
^G
 And try
^{Em}
 To let go

 (G Em G Em)

 (spoken)
 You gotta let go
 To love, you gotta let go
 If you really wanna love
 You gotta let go
