Ab Gb Bm E

[Primeira Parte]

A  
Oh I was broken hearted  
Feeling sad and all alone Gbm  
I thought I was going crazy. D E  
A  
I thought the pain would last forever  
I thought he'd never ever hurt me and hurt me Abm Gbm  
D E  
Over and over again

Ohh

[Pré-Refrão]

D E  
When you tried into my world  
D  
You showed the loving ways of how  
E  
A guy should treat a girl  
G Gbm  
The love you give that makes me breathe again  
D  
I've found someone who feels me  
Db Gbm  
An understanding friend till the end

[Refrão]

E  
I know the future no one can see  
D  
But I feel deep in my heart  
Db F Gbm  
You will stay with me eternally  
So just love me  
E A  
Even every day  
D A Bm  
And hold me in your arms now  
E A  
Please love the hurt away

A Gbm D E  
I'll make it go away, yes I will  
Oh hurt away (ohhh)

[Segunda Parte]

A  
I see heaven in your eyes Gbm  
Tell me why would he make you cry, and lie D E

He must have been out of his mind  
A  
I would never hurt you baby  
Don't let one fool turn you cold (oh no) Gbm  
D  
You've got a heart of gold  
E  
(Heart of gold)  
(I love everything about you)  
All I know is  
D E  
Every word I take it straight to you  
D E  
A special part of I give for everything I do  
G Gbm  
Nobody else comes close to the love you give
