

Britney Spears - My Prerogative

```
Tom: F
                                           F7
                        Bh
People can take everything away from you
                                            Ebm
But they can never take away your truth
                   Bb F7
                            Gm
But the question is
Can you handle mine?
(Parte 1)
                Bb
They say I'm crazy
I really don't care
              Gm
That's my prerogative
They say I'm nasty
But I don't give a damn
                Ebm
Getting boys is how I live
(Parte 2)
             Bb
Some ask me questions
       F7
Why am I so real?
     Gm
But they don't understand me
       Fbm
I really don't know the deal about my sister
Trying hard to make it right
Not long ago
   Ebm
                   Em
Before I won this fight
(Chorus:)
Everybody's talking all this stuff about me
Why don't they just let me live? (tell me why)
I don't need permission
Make my own decisions (oh)
```

```
That's my prerogative
                   Em Bb
                                               Gm
                                                       Ebm
                                 (it's my prerogative)
It's my prerogative
                                                 Gm
              F7
    It's the way that I wanna live (it's my prerogative)
           Ebm
You can't tell me what to do
(Segue a parte 1)
Don't get me wrong
I'm really not souped
Ego trips is not my thing
All these strange relationships really gets me down
I see nothing wrong spreadin' myself around
Chorus (2x): Segue o mesmo
Everybody's talking all this stuff about me
Why don't they just let me live? (tell me why)
I don't need permission
Make my own decisions (oh)
That's my prerogative
It's my prerogative (it's my prerogative)
It's the way that I wanna live (it's my prerogative)
You can't tell me what to do
( Bb F7
            Gm Ebm ) 2x Em
                                  Ebm
Why can't I live my life
          Bh
                      F7
Without all of the things
             Gm Ebm
That people say, oooh
Chorus: Seque o mesmo
(oh) Everybody's talking all this stuff about me
Why don't they just let me live? (tell me why)
I don't need permission
Make my own decisions (oh)
That's my prerogative
(They say I'm crazy)
Everybody's talking all this stuff about me Why don't they just let me live? (tell me why)
