

# Britney Spears - Overprotected

Tom: Eb

I need time (time)  
Love (love)  
Joy (joy)  
I need space  
I need me

(Action!)

Say hello to the girl that I am!

You're gonna have to see through my perspective

I need to make mistakes just to learn who I am

And I don't wanna be so damn protected

There must be another way Cause I believe in taking chances

But who am I to say. What a girl is to do. God, I need some answers

What am I to do with my life (You will find out don't worry)

How Am I supposed to know what's right? (You just got to do it your way)

I can't help the way I feel

But my life has been so overprotected

I tell 'em what I like, what I won't, what I don't

But every time I do I stand corrected

Things that I've known  
I can't believe what I hear about the world, I realize

I'm Overprotected

There must be another way. Cause I believe in taking chances

But who am I to say. What a girl is to do. God I need some answers

(Repeat Chorus)

I need? time (love)

I need? space (This is it, this is it)

I don't need nobody tellin me just what I wanna

What I what what I'm gonna do about my destiny

I Say No, No

Nobody tell me just what what what I wanna do, do

I'm so fed up with people telling me to be

Someone else but me

Action!

(Repeat Chorus)

I don't need nobody

Tellin me just what I wanna

What I what what I'm gonna

Do about my destiny

I Say No, No

Ain't nobody tell me just what I wanna do, do

I'm so fed up with people telling me to be

Someone else but me

(Repeat Chorus)

I don't need nobody tellin me just what I wanna

What I what what I'm gonna do about my destiny

I Say No, No

Nobody tell me just what what I wanna do, do

I'm so fed up with people telling me to be

Someone else but me
