Tom: Eb

I need time (time)
Love (love)
Joy (joy)
I need space
I need me

(Action!)

Say hello to the girl that I am!
You're gonna have to see through my perspective
I need to make mistakes just to learn who I am
And I don't wanna be so damn protected
There must be another way Cause I believe in taking chances
But who am I to say. What a girl is to do. God, I need some answers
What am I to do with my life (You will find out don't worry)
How Am I supposed to know what's right? (You just got to do it your way)
I can't help the way I feel
But my life has been so overprotected

I tell 'em what I like, what I won't, what I don't
But every time I do I stand corrected
Things that I've known
I can't believe what I hear about the world, I realize
I'm Overprotected
There must be another way. Cause I believe in taking chances
But who am I to say. What a girl is to do. God I need some answers

(Repeat Chorus)

I need? time (love)
I need? space (This is it, this is it)
I don't need nobody tellin me just what I wanna
What I what what I'm gonna do about my destiny
I Say No, No
Nobody tell me just what what what I wanna do, do
I'm so fed up with people telling me to be
Someone else but me
Action!

(Repeat Chorus)

I don't need nobody
Tellin me just what I wanna
What I what what I'm gonna
Do about my destiny
I Say No, No
Ain't nobody tell me just what I wanna do, do
I'm so fed up with people telling me to be
Someone else but me

(Repeat Chorus)

I don't need nobody tellin me just what I wanna
What I what what I'm gonna do about my destiny
I Say No, No
Nobody tell me just what what I wanna do, do
I'm so fed up with people telling me to be
Someone else but me
