Tom: B

B  
I can't let go of control  
Gb  
I can't let go and not know  
Abm  
Don't know the way you're heading me  
E  
One day at a time is all I need  
B  
There was a time without trust  
Gb  
There was a time without love  
Abm  
But it took you to show me  
E  
I could handover the keys

B  
I'll let you lead the way now  
Gb  
Cause I want you to take the wheel  
Abm  
I've never been a passenger though  
E  
I never knew how good it could feel  
B  
The road will twist and turn but  
Gb  
I know that I am in good hands  
Abm  
I've never been a passenger no  
E B  
But we'll see more without a map

So let's take a walk and get lost  
Gb  
Let's take a chance on finding us  
Abm  
I wanna see the world with you  
E  
Every step feels so brand new  
B  
It's hard to jump with no net  
Gb  
But I've jumped and got no regret  
Abm  
My co-pilot yeah that's right  
E  
Now I can just enjoy the ride  
B

I'll let you lead the way now  
Gb  
Cause I want you to take the wheel  
Abm  
I've never been a passenger though
