

Britney Spears - Passenger

```
Tom: B
I can't let go of control
I can't let go and not know
Abm
Don't know the way you're heading me
One day at a time is all I need
There was a time without trust
Gh
There was a time without love
But it took you to show me
I could handover the keys
I'll let you lead the way now
Cause I want you to take the wheel
I've never been a passenger though
I never knew how good it could feel
The road will twist and turn but
I know that I am in good hands
 Ahm
I've never been a passenger no
But we'll see more without a map
        Gb
Without a map
        Ahm
Without a map
        Е
Without a map
So let's take a walk and get lost
Let's take a chance on finding us
Ahm
I wanna see the world with you
Every step feels so brand new
It's hard to jump with no net
But I've jumped and got no regret
My co-pilot yeah that's right
Now I can just enjoy the ride

I'll let you lead the way now
Cause I want you to take the wheel
 Ahm
I've never been a passenger though
I never knew how good it could feel
The road will twist and turn but
I know that I am in good hands
 Abm
I've never been a passenger no
But we'll see more without a map
Without a map
         Ahm
Without a map
Without a map
And now we're finally falling
Cause I was giving you half now I'm all in
Ahm
My hands in the air while you're driving
This is living
This is living
This is living
Yeah
I'll let you lead the way now
Cause I want you to take the wheel
 Ahm
I've never been a passenger though
I never knew how good it could feel
The road will twist and turn but
I know that I am in good hands
 Abm
I've never been a passenger no
But we'll see more without a map
Without a map
        Abm
Without a map
