

Britney Spears - Perfume

Tom: Eb

Do I imagine it, or do I see your stare
 Is there still longing there?
 Oh I hate myself, and I feel crazy
 Such a classic tale
 Current girl friend, ex girlfriend,
 I'm trying to be cool
 Am I being paranoid, am I seeing things?
 Am I just insecure?

I want to believe
 It's just you and me
 Sometimes it feels like there's three
 of us in here baby

So, I wait for you to call
 And I try to act natural
 have you been thinking 'bout her or about me

And while I wait I put on my perfume, yeah I want it all over you
 I gotta mark my territory

I'll never tell, tell on myself but I hope she smells my perfume
 I'll never tell, tell on myself but I hope she smells my perfume
 I hide it well, hope you can't tell but I hope she smells my perfume
 I hide it well, hope you can't tell but I hope she smells my perfume

I wanna fill the room, when she's in it with you
 Please don't forget me

Do I imagine it, or catch these moments
 I know you got history
 But I'm your girlfriend, now I'm your girlfriend
 trying to be cool
 I hope I'm paranoid, that I'm just seeing things
 That I'm just insecure

I want to believe
 It's just you and me
 Sometimes it feels like there's three
 of us in here baby
 So, I wait for you to call
 And I try to act natural
 have you been thinking 'bout her or about me

And while I wait I put on my perfume, yeah I want it all over you
 I gotta mark my territory

So, I wait for you to call
 And I try to act natural
 have you been thinking 'bout her or about me

And while I wait I put on my perfume, yeah I want it all over you
 I gotta mark my territory

I'll never tell, tell on myself but I hope she smells my perfume
 I'll never tell, tell on myself but I hope she smells my perfume
 I hide it well, hope you can't tell but I hope she smells my perfume
 I hide it well, hope you can't tell but I hope she smells my perfume

I hide it well, hope you can't tell but I hope she smells my perfume
 I hide it well, hope you can't tell but I hope she smells my perfume
