

Britney Spears - Slumber Party (feat. Tinashe)

Tom: A

m

Intro: Am Dm Em G Am

[Primeira Parte]

I think I see confetti from this potion
Pillow fights and feathers, overdosin
Smells like a cologne and candy lotion
Like a slumber party
Sheets all on the floor just like an ocean
Building up your fortress like a mountain
Neighbors say we're causing a commotion
Like a slumber party

[Pré-Refrão]

No, n-no, no, you and I, I, I
We ain't gonna sleep tonigh-igh-ight
Oh baby, no, n-no, no, you and I, I, I
We ain't gonna sleep tonight

[Refrão]

Cause we got them candles hanging
Hanging from the ceiling low
We use our bodies to make our own videos
Put on our music that makes us go fucking crazy, go
Go crazy, go
Like a slumber party, oohhooohh oohhooohh
Like a slumber party oohhooohh oohhooohh
Like a slumber party

[Segunda Parte]

Let's fill up this clawfoot bath with bubbles
Loving me so hard it's causing trouble
If it's seven minutes in heaven make it double, triple
Like a slumber party

[Pré-Refrão]

No, n-no, no, you and I, I, I
We ain't gonna sleep tonigh-igh-ight
Oh baby, no, n-no, no, you and I, I, I
We ain't gonna sleep tonight

[Refrão]

Cause we got them candles hanging
Hanging from the ceiling low
We use our bodies to make our own videos
Put on our music that makes us go fucking crazy, go

Like a slumber party
Cause we got them candles hanging
Hanging from the ceiling low
We use our bodies to make our own videos
