

Britney Spears - That's Where You Take Me

Tom: **Bb**

Oh baby, oh baby
Oh baby, oh baby

In love no believe I never found inside of me
Built these walls up so high, needed my room to breathe
But oh baby, oh baby you tear them down
Can't believe you changed my mind
Oh baby, oh baby, I saw you smile
Stay with me a while

CHORUS

All things fall into place
My heart, it feels so safe
You are my melody
That's where you take me
With you I get so high
Lost in the crystal sky

You are this melody
That's where you take me

I never fell before, how did you find the door?
The key to my soul, to you forever more
Oh baby, oh baby you make me rise
Never did I once think twice
Oh baby, oh baby you make me smile
Stay with me a while

CHORUS - repeat

Afraid to let it all inside, now I want to hear you'll
Stay with me a while, stay with me a while

La la la la la la, la la la la la la
La la la la la la, la la la la
That's where you take me

CHORUS - repeat

Acordes
