

# Britney Spears - That's Where You Take Me

Tom: **Bb**

Oh baby, oh baby  
Oh baby, oh baby

In love no believe I never found inside of me  
Built these walls up so high, needed my room to breathe  
But oh baby, oh baby you tear them down  
Can't believe you changed my mind  
Oh baby, oh baby, I saw you smile  
Stay with me a while

CHORUS

All things fall into place  
My heart, it feels so safe  
You are my melody  
That's where you take me  
With you I get so high  
Lost in the crystal sky

You are this melody  
That's where you take me

I never fell before, how did you find the door?  
The key to my soul, to you forever more  
Oh baby, oh baby you make me rise  
Never did I once think twice  
Oh baby, oh baby you make me smile  
Stay with me a while

CHORUS - repeat

Afraid to let it all inside, now I want to hear you'll  
Stay with me a while, stay with me a while

La la la la la la, la la la la la la  
La la la la la la, la la la la  
That's where you take me

CHORUS - repeat

## Acordes
